Research Performance Sites

1. Determine what performance sites in addition to the Institution Sponsored Research Location need to be added to the funding proposal.

Where to start?

2. Click ... to add a performance site.

How do I complete the Research Performance Sites SmartForm?

3. Use the text box to enter the name and click Go.

4. Select the site and click OK.

5. Add additional sites by repeating steps 2-4.

6. If activities will be conducted in a foreign country select yes, if not, select No.

7. If yes, use the progressive text box to find the country or click ... to search.

What’s Next?

8. Click Continue.
